The Collection of Masses of the Blessed Virgin Mary includes the Missal, revised to conform to The Roman Missal, Third Edition, and its companion Lectionary. Printed in easy-to-read, two-color type, these well-crafted ritual books feature a blue hardcover stamped with the distinct and beautiful art of Martin Erspamer, OSB; silver-gilded pages; and ribbons. They provide the formularies required for celebration of the forty-six Masses in honor of the Blessed Virgin Mary, which are distributed across the seasons of the liturgical year (three in Advent, six for the Christmas season, five in Lent, four for the Easter season, and twenty eight for Ordinary Time). The Missal contains the euchological texts, the Entrance and Communion Antiphons, and, in an appendix, several formularies for Solemn Blessings at the end of Mass. A historical, liturgical, and pastoral introduction precedes each formulary to assist in preparation for the Eucharistic celebration.

The Angelus is a centuries-old Catholic devotion that recalls the annunciation of Christ's birth by the Angel Gabriel to the Virgin Mary. In Praying the Angelus, popular author and speaker Jared Dees reinvigorates the devotion, shares intimately from his own experience of it, shows us how to get started, and enriches the practice with original meditations to reflect on the words of both the Angelus and the Regina Caeli. Jared Dees was twenty-seven and in his fourth year of teaching religion in a Catholic school when he first experienced the Angelus. The creator of The Religion Teacher website allows the devotion to anchor his prayer life and challenge him to daily conversion of heart and will. Dees introduces the Angelus devotion and explores its rich history and significance for the Church. As spiritual companion and guide, he offers meditations on the words and images of both the Angelus and the Regina Caeli, which is prayed during the Easter season. We find lessons about the power of repetitive prayer, the humility of being a disciple, the importance of admitting time belongs to God, the wisdom of taking time with discernment, and the joy of resting in the Lord's presence. He shares personal stories of the life-change power of the Angelus and guides both newcomers and those already familiar with the prayer to contemplate the mysteries of salvation that lie at the heart of the devotion—the Annunciation, Incarnation, and Resurrection. Named for the opening words of the devotion's first prayer in Latin, "The Angel of the Lord declared unto Mary," the Angelus is typically prayed at 6:00 a.m., noon, and 6:00 p.m. each day. Likewise the Regina Caeli is named for the opening lines of its prayer, "Queen of heaven, rejoice, alleluia." Praying the Angelus is supported by Dees's website, TheAngelusPrayer.com, where people can gather online to participate in and share this devotion with others.

That there is a peculiar blessedness belonging to the Virgin Mary, no believer in the inspiration of the Scriptures can for a moment doubt. First published in 1944 and now a spiritual classic for Catholics across the globe, The Reed of God contains meditations on the humanity of Mary, Mother of God. British Catholic writer and artist Caryll Houselander lovingly explores Mary's intimately human side, depicting Our Lady as a musical instrument who makes divine love known to the world. This refreshed edition is rich and rewarding reading for all Christians who wonder what Mary was really like. While the Second Vatican Council led to a renewed interest in the theology and person of Mary, Caryll Houselander offered a simple yet profound reflection on the Mother of God almost fifteen years before the council began. Confronting the static, surreal "Madonna of the Christmas card," Houselander provides instead an intuitive, warmly human, and approachable image of the Mother of God. Through the central image of a reed that is played for music, Houselander demonstrates how Mary chose to make herself an instrument for the divine plan, giving her inmost being to the proclamation of God's greatness. In sharing her distinctive vision of Mary, Houselander offers the Mother of God as a model for all people seeking to be instruments of the Divine. The essays and poems in The Reed of God also reflect on the mysteries of Mary's life and her impact on salvation history. In the book's four parts, Houselander explores key events of Mary's life, including her fiat, finding Jesus in the Temple, and the Assumption, as well as the themes of fruitful emptiness and the eternal search for union with God.
