ACTS World Relief founder David Canther shares how acts of kindness and meeting the needs of people can touch the world with God's love.

Fall from Grace By Sarah Costello Samantha has had a difficult and complicated past. Still, she overcame the odds against her and became a successful college student. She spent her life handling each obstacle that has fallen before her with maturity and grace. Those who knew her best expected nothing but a positive future for her. A series of unexpected and unfortunate events begin to take place, altering her destined path and taking her on a journey away from her home and those who love her, and the person she cares for most

deeply. How will Samantha handle these new challenges? Hers is a story of strength and growth.

More than 1,200 activities that engage every type of learner by one of Gryphon House's best-selling authors.

This book examines the impact of love and enmity between siblings on personality development. Detailed clinical vignettes show how increased knowledge regarding this important relationship can be applied in the therapeutic setting.

There should be millions in Samantha Cartwright's trust fund...but it's empty. Luckily for Wade Dawson, her financial adviser, Samantha doesn't know that yet. So Wade's buying time to solve the mystery of the missing money by playing cowboy on her ranch. But he's in way

over his head! Wade is so different from the men Samantha is used to. He wears a tie to work instead of dusty jeans and a Stetson. And while she's intrigued by him, she's frustrated by the delay. After all, starting her new horse ranch will finally prove to her overprotective father that she's capable of running her own life. But Samantha's memory lapses from an old injury once brought harm to a child she loved, and she cannot risk being a danger to Wade or his young son. Even if the businessman does look irresistible in a cowboy hat...

A sweeping new drama from the beloved, best-selling author of *Roses*. Texas in the early 1900s, its inhabitants still traveling by horseback and barely familiar with the telephone, was on the

clasp of an oil boom that, unbeknownst to its residents, would spark a period of dramatic changes and economic growth. In the midst of this transformative time in Southern history, two unforgettable characters emerge and find their fates irrevocably intertwined: Samantha Gordon, the privileged heiress to the sprawling Las Tres Lomas cattle ranch near Fort Worth, and Nathan Holloway, a sweet-natured and charming farm boy from far north Texas. As changes sweep the rustic countryside, Samantha and Nathan's connection drives this narrative compulsively forward as they love, lose, and betray. In this grand yet intimate novel, Meacham once again delivers a heartfelt, big-canvas story full of surprising twists and deep emotional resonance. *Includes Reading Group Guide*

For many people who have never spent time in the state, Oklahoma conjures up a series of stereotypes: rugged cowboys, tipi-dwelling American Indians, uneducated farmers. When women are pictured at all, they seem frozen in time: as the bonneted pioneer woman stoically enduring hardship or the bedraggled, gaunt-

faceted mother familiar from Dust Bowl photographs. In *Red Dirt Women*, Susan Kates challenges these one-dimensional characterizations by exploring—and celebrating—the lives of contemporary Oklahoma women whose experiences are anything but predictable. In essays both intensely personal and universal, *Red Dirt Women* reveals the author's own heartaches and joys in becoming a parent through adoption, her love of regional treasures found in "junk" stores, and her deep appreciation of Miss Dorrie, her son's unconventional preschool teacher. Through lively profiles, interviews, and sketches, we come to know pioneer queens from the Panhandle, rodeo riders, casino gamblers, roller-derby skaters, and the "Lady of Jade"—a former "boat person" from Vietnam who now owns a successful business in Oklahoma City. As she illuminates the lives of these memorable Oklahoma women, Kates traces her own journey to Oklahoma with clarity and insight. Born and raised in Ohio, she confesses an initial apprehension about her adopted home, admitting that she felt "vulnerable on the open lands." Yet her original unease de-

velops into a deep affection for the landscape, history, culture, and people of Oklahoma. The women we meet in *Red Dirt Women* are not politicians, governors' wives, or celebrities—they are women of all ages and backgrounds who surround us every day and who are as diverse as Oklahoma itself. They had a wonderful night. When they met again, she was married already. She didn't recognize him at all. When she recognized him, she was scared and hiding from him. Yet he couldn't give up. He tried everything to let her divorce and come back to his embrace. "Mr. Gu, I'm married!" She said to him with tears in her eyes. He sneered, "What difference does it make to a woman who has only one man before and after her marriage?" He always showed up and saved her when she was in danger. In the face of her father's admonitions and her husband's reproaches, she finally discovered that she was pregnant with his child. This is Book 3 of *I Love You So Much* (10 books).

In the year AD 4544, a confluence of events shatters a spacecraft in the outer reaches of the solar system, hurling its lone

commander, Samantha Hunter, through time and space deep into the past. Meanwhile, in the near future, award-winning New York Times science editor Jonathan Elliot awakens in the middle of the night to an uninvited guest who appears to have materialized out of thin air. The strange visitor tells him a story so unbelievable that Jonathan feels compelled to write a speculative feature article for the Sunday edition. This midnight visit launches a nine-day whirlwind of events that extend from New York City across the continent to Las Vegas, setting off a chain of inexplicable incidents, a national manhunt involving the top levels of government, a series of revelatory conversations about the future, and a team of unlikely collaborators in a race to save a beautiful, mysterious heroine and quite possibly the future of the human species. Who are we really, and where are we going? Pondering these questions and offering an uplifting message of hope for the future, this novel tells the story of an accidental time traveler stranded in the twenty-first century whose presence may change the course of humanity's future.

By the time Keith was 17

years old, his rap sheet included DUI, possession of narcotics and intent to distribute (that's drug dealing). He was emaciated from drug use, dirty and rumped, and under house arrest awaiting trial. That's when a stranger paid him a visit, sitting down in his filthy room to touch his gaunt shoulder and pray. Maybe you are facing circumstances even worse than Keith's. Maybe you've made choices that have hurt you and the people around you. Maybe your family has failed or damaged you, leaving scars you're sure will never heal. Or maybe you just can't bring yourself to care anymore, because you've forgotten how to dream big. However lost you are, you have not been abandoned—a relentless God is pursuing you. *You Found Me* is Keith's story of a tragic life redeemed, but it's more than that: It's the story of anyone willing to be found.

This is a little bit of everything, people, places and events, reflected through autobiography, Fiction, commentary and poetry. I wanted to document where I found strength throughout life, and where I was weakest. I wanted to write a positive work, but too often descended to

my weakness. All these pieces showed me more than I expected to see. I fall short if this is a tribute to the positive influences, but I make it up obsessing about the negative. Trying to find a spiritual path through the shadows of love is a trip. This is a one of a kind journey, like the one everyone takes. Even the evil ones have taught me many lessons, but this is for those who love. Many of the lines in my poems directly relate to people I didn't mention, but if you know me, you're probably in here somehow. Even those I got hurt by I do still love. Know that.

Misty Griffin's story – Surviving child abuse, parental betrayal, sexual assault, and Amish cruelty A true crime memoir: When Misty was six years old her family started to live and dress like the Amish. Misty and her sister were kept as slaves on a mountain ranch where they were subjected to almost complete isolation, sexual abuse and extreme physical violence. Their step-father kept a loaded rifle by the door at all times to make sure the young girls were too terrified to try to

escape. They also knew that no rescue would ever come because only a couple of people even knew they existed and did not know them well enough to care. Amish Sexual abuse: When Misty reached her teens, her parents feared she and her sister would escape and took them to an Amish community where they were adopted and became baptized members. Misty was devastated to once again find herself in a world of fear, animal cruelty and sexual abuse. Going to the police was severely frowned upon. A few years later, Misty was sexually assaulted by the bishop. As Misty recalls, "Amish sexual abusers are only shunned by the church for six weeks, a punishment that never seems to work. After I was assaulted by the bishop I knew I had to get help and one freezing morning in early March I made a dash for a tiny police station in rural Minnesota. After reporting the bishop I left the Amish and found myself plummeted into the strange modern world with only a second-grade education and no ID or social security card. To all abuse survivors out there, please be encouraged, the cycle of abuse can be broken. Today, I am a nursing stu-

dent working towards my master's degree and a child abuse awareness activist. This is my story." If you have read *Scared Selfless*, *A Child Called It*, *The Sound of Gravel*, or *Etched In Sand*, then *Tears of the Silenced* is a must read.

Factory mechanic Duke Crawford just wants to watch SportsCenter in peace. Unfortunately, living with four divorcee sisters doesn't provide much silence, nor does it change his stance on relationships. But when a fellow commitment-phobe stumbles into his life, getting him good and worked up, he can't deny his protective instincts. Samantha Waverly's brother just put her in an impossible situation. The only way out? Marry huge, gruff, gladiator look-alike Duke—for show, of course. She doesn't make promises—she knows too well how easily they can be broken—and this is no exception. As the blistering attraction between them grows, the lines around the no-

strings relationship blur. But Duke and Samantha's marriage is only for show...or is it? Each book in the Made in Jersey series is STANDALONE: * Crashed Out * Thrown Down * Worked Up * Wound Tight

Set in the elite foxhunting community of Middleburg, Virginia, this fast-paced mystery, packed with scandal, envy, vengeance, and love, unfolds when Doug Cummings, an attractive and driven lawyer and horseman, realizes that someone is out to kill him when he barely escapes a suspicious accident. With his only known enemy—twisted psychopath Zeb McGraw—behind bars, Doug is forced to ask himself Could someone on the outside be helping McGraw? and Could the culprit be the mysterious cowboy who, almost too miraculously, helped save my horse? Caught in the middle is alluring horsewoman Kendall Waters, recently divorced and battling

the demons of her past. As the chilling plot unfolds, Doug struggles to hunt down the would-be killer and end the nightmare, no matter the cost.

Sam has a joyful story to tell, one completely her own, yet common to millions of families -- the story of how she was adopted. Most of all, it's a story about love. And in the end, Sam's story comes full circle, inviting young readers to share stories of how they were adopted.

An informative, heartwarming and whimsical account of one racing greyhound's experience with leaving the track and entering the adoption process to find a family of his own. On the surface, "Django the Greyhound: Gets Adopted!" tells the story of one dog's experience growing up in the world of greyhound racing. We meet Django, who was born into this world, learn about how he grew up, and see what comes next for him after his last race. Beyond the look into the world of racing greyhounds, readers will see how the main character navigates the unknowns and anxieties of the adoption process and the many transitions that await him. This is a book for families of adoption, foster families, anybody

who has adopted or wants to adopt a dog and animal lovers in general. Django teaches us that changes in life are inevitable, but what comes next can be even better. Perhaps most importantly, this hound shows us that no matter what life throws at us, there are good people out there to help us through it all.

Organized around the latest CACREP Standards, *Becoming a Multiculturally Competent Counselor* by Changming Duan and Chris Brown is a timely book that covers the core concepts, theories, and skills of multicultural and social justice counseling. With a focus on helping readers develop their multicultural professional identities, the authors conceptualize multicultural identity development as the foundation for comprehending the pervasive impact of social privilege and oppression and developing competencies to effectively work with the culturally diverse. Case illustrations, exercises, and an emphasis on reflective practice foster a true understanding and application of concepts. *Becoming a Multiculturally Competent Counselor* is part of the SAGE Counseling and Professional Identity Series, which targets spe-

cific competencies identified by CACREP (Council for Accreditation of Counseling and Related Educational Programs).

Desperation: The Island Se-

ries It looks like paradise. Looks can be deceiving... Is it really too much to ask that when a hot guy finds a perfectly awesome girl washed up on the beach, they be just a little bit amazed and enthralled? Really? I don't think that's a lot to ask. Little Mermaid ring any bells, mister? Jumping ship in the middle of the ocean probably isn't the wisest move Reagan has ever been accused of. When she washes up on a remote beach and finds herself staring into a gleaming set of irritable eyes, attached to an even crankier man, (one that happens to be ridiculously attractive), it almost makes her wish she'd made friends with the sharks. Almost. When she's brought to a utopian haven in the middle of the ocean and introduced to a small village, she's only grateful it's not Grandy Island Reintegration Camp. From the stories she's heard, anywhere is better than that place. In fact, this place looks downright inviting. A place she (and her secrets) might even be safe in. Will she find out just how deceiving looks can be? This is book 1 in a dystopian trilogy darker themes and elements of romance. It's packed full of twists and turns; an island adventure you won't

want to put down. Cliffhanger endings, please read the books in order! Awakening: Absence of Song Series Music is forbidden in Silvah City... Even singing can mean big trouble with the Ministry. But she can't seem to help herself. The melodies in her head must be released, though she doesn't fully understand why. When the mysterious Noah walks into her life, he changes everything. Her world is shaken, her eyes are opened. She is awakened. Thanks to Noah, Jaelynn now understands she is one of the Chosen. And together, they have a mission. Will they be strong enough to finish it? Can they go up against the Ministry and prevail? Can they succeed in bringing life back to a dying land, a dying people? Or will it all be for nothing, and the people perish...? Dystopian romantic fantasy, Christian-themed, inspirational, please read books in order. Cliffhanger endings. Parenting: Contemporary Clinical Perspectives offers fresh insights into treating parents and their children that highlight the evolving role of parents throughout the lifespan and amidst contemporary social pressure and change. By drawing from

their own personal experiences as well as those from clinical practice, distinguished clinicians and analysts examine each phase of parenting through a variety of lenses to tackle our biggest parenting questions. While we must be highly present for our children to help them develop a sense of self-worth, we must simultaneously step back if we want them to develop a sense of autonomy and individuality. As our role as parent changes, how can we maintain a sense of grace, humor, and perspective? How can our work in practice inform and enrich our parenting, and vice versa? Thoughtful and engaging, this volume is a valuable resource for family therapists and clinicians, especially those who are parents themselves.

Every man desires to be a hero for the woman he loves; however, very few are presented the opportunity. Col. James P. Gordon is one of those men. Early on, the younger Air Force captain, Jim Gordon, met and fell in love with Samantha Marissen, the woman who brought him to Jesus Christ and the daughter of Edward Marissen, CEO of Marissen AeroSpace. After more than twenty years, the

now retired Air Force pilot is thrust into such a position as personal and world events collide, crossing the paths of the lost loves once again. Recently divorced from an emotionally and physically abusive man, Samantha Marissen fled the country as a means of escape and relief from the horrors of the legal destruction of her character but is arrested in an unstable foreign land and charged as a spy in an unwarranted retaliatory act against the United States. She is held captive for trial far from her estranged family with only the protection of a sympathetic soldier and her love of God. James Gordon, a man with no family, yet still strong in his faith, lays his life on the line to bring Samantha home. Her time of captivity and his period of training prove their love still strong as both overcome serious obstacles to remain alive. Unknown to Samantha is the love and concern of friends she thought long-forgotten who pray for her safe return with James Gordon.

Devastation. Destruction. Evil. Darkness has a name, and its name is Rehabilitation. She wasn't around to witness it, but she's heard the stories, and seen the aftermath.

The Old World was demolished. And from its ashes, the Elite rose up as the ruling power of the New World, enforcing new laws. Laws that are now broken at great peril... When Sinna witnesses her best friend kidnapped, her heart sinks. She knows he is destined for a fate worse than death. She'd have to be deaf not to hear the rumors, the whispers of what happens at Rehabilitation. And she's seen the vacant looks in the eyes of those who return. If they return. But she can't just let her friend be kidnapped and murdered, or worse. She must try to save him. No matter the danger. No matter the cost. This is a dystopian post-apocalyptic box set loaded with adventure.

Every man feels the need to be a hero for the woman he loves, while every woman holds a hidden desire for a knight in shining armor to sweep her into a life of true love. After twenty-three years, Colonel James Paul Gordon, a retired air force pilot, is thrust into such a position. His lost love, Samantha Marissen, daughter of one of the country's wealthiest men and recently divorced from an emotionally and physically

abusive man, is arrested in an unstable foreign land and charged as a spy in an unwarranted retaliatory act against the United States. Past and present collide as Jim Gordon, a man with no family, lays his life on the line to reunite the family of Ed Marissen, his nemesis.

A young girl tells the story of how she came to be her parents' child through adoption.

She's thirty-two, musically gifted, vivacious, and in love with Patrick Harrold, the voice teacher who hired her to play piano for

his collection of off-kilter vocal students. Indeed, Samantha Eliot has long dreamed of devoting her life to music and song. But there's a problem. She can't speak, let alone sing. And she hasn't been able to since a terrible accident took her voice at the age of seven. Truth be told, she has two additional problems. She's never met—but is presently searching for—her birth mother. And the man she loves may, in fact, give up teaching voice, therefore no longer requiring her services. Can she rectify the second and third of these three problems, even though she must live with the first? Also featuring a collection of hilarious voice students with issues of their own, Samantha's Silent Song speaks to those who have made an honest attempt, but failed, at fully realizing their dreams.

This important book reconsiders the ways in which families are currently represented and addressed in school curriculum and culture. It addresses such issues as the educational needs of gay and lesbian families, the representation of adoption in chil-

dren's literature, and the experiences of homeless students and their families. Includes questions for reflection and discussion at the end of each chapter. "Other Kinds of Families will help teachers to avoid making mistakes in their work with many different types of family diversity, and will provide the knowledge and ideas important to working with all families." —Carl A. Grant, University of Wisconsin-Madison "Teachers, researchers, and policymakers will find thought-provoking ideas, engaging stories, and practical strategies for including those who have typically been excluded from the conversation. —Sonia Nieto, Professor Emerita, University of Massachusetts, Amherst "Other Kinds of Families will enlarge your sense of humanity, encourage you to rethink the meaning and importance of our most intimate relationships, and change forever the way you see families—everyone else's and your own." —William Ayers, University of Illinois at Chicago

A collection of short stories for both child and adult audiences.
