If you win big, cash out and leave the casino. The chances of you hitting a big winning streak, tempting though that is, are very, very low. Casinos will want to keep you in there after you win so that they have a chance to win their money back. Experts suggest cashing out and walking away after you've won.

If you look for information about how to win the lottery, you'll find many tips that don't work. Lottery schemes like picking "rare" numbers (every number has an equal chance of winning, no matter how recently it was drawn), software that's supposed to be better at picking numbers, and other forms of wishful thinking abound.. There's no way to predict the numbers that will come up in the lottery.
