Star Trek Papercraft - Starships Japanese designer Zosho has these cool Star Trek papercraft starships that includes seven models on the side of the United Federation of Planets and a single model for the Romulan Star Empire. No worries this time, the designer has provided an English page for us non-Japanese readers.

Star Trek Papercraft - Free Papercraft, Paper Model ...

While fans had a view of the new Enterprise at the end of Star Trek Beyond, it was brief and altered from Sean Hargreaves' original design. This paper-model is a recreation of that original design. There probably won't be any models of this Enterprise A until the next movie, and that's especially true of this unaltered original look.
