Hi, we are twins from Greece, Gus and Andrew and we also drive shifter karts. We have two Tm K9 and as we know, it's right to change the gear oil every five hours. We use Valvoline ATF (automatic transmission fuel) Type D and it needs about 300-350 ml. You take off the bottom screw to empty the old oil and you refill it from the top hole (you ...

The file type / extension isn't that relevant: the "file type" is a human readable description based on the file extension and the file extension can be changed at will. That doesn't change the content, and it doesn't make it readable by any particular piece of software. For example, I can change the extension of a jpeg file from "myPic.jpg" to ...
